# SPORT-SPECIFIC DESIGNS

OAKLEY TRUE DIGITAL™

Innovative sport-specific progressive lenses, optimized for cycling, golf and fishing.

## ROAD CYCLING

## GOLF

## FISHING

### DESIGN

Standard progressive lenses are designed for the most common daily activities. Athletes have different visual needs for their unique sport. Oakley True Digital Sport-Specific progressive lenses deliver optics designed for their sport.

### COLOR

Oakley proprietary sport tints boost color contrast to enhance performance in each sport environment.

### COATING

Oakley Stealth™ is engineered for the needs of athletes and sport enthusiasts. It reduces backside reflections, repels dust, water and oil with industry leading durability.

### FINISH

Finished with excellence, every Oakley True Digital Sport-Specific progressive lens uses our custom database to digitally tailor lenses to the frame and Rx. The result is the best aesthetics and vision possible.
